OFFICE OF THE
CONSERVATOR OF FORESTS IN MYSORE,

Dated Bangalore, 15th August 1900.

From

J. L. PIGOT, Esquire,

Conservator of Forests in Mysore.

To

The SECRETARY to the GOVERNMENT of MYSORE,

General and Revenue Departments.

Sir,

Ref. No. (1) in Sec. I of H.F. 31-96 part-up.

Referring to Colonel Walker's letter No. 863/45 of 8th August 1897, submitting reports in connection with the exploitation of State forests and reservation of wood-lands surrounding the head waters of streams in the Hassan District, I have the honour to forward for early notification in the Gazette a draft notification of boundaries of the proposed Bisle State in the Manjarabad taluk.

2. The area recommended by Deputy Commissioner for reserve comprises lands note

below

	acres - gun
(1) Bisle chat forest block -	6489 — 3
(2) Survey No. 53 (Gomal) of Yettahalli village	409 — 2
(3) Survey No. 9 (Kharab) of Arni village	— 285 —
(4) Survey No. 1 (Anchemale Coffee abandoned estate)	1197 —
(5) Survey Nos. 61, 62, 64 and 65 (assessed occupied lands - Arni village)	7 —
(6) Survey No. 63 (Assessed unoccupied land - Arni village)	— 2 — 4
	8391 — 1

It is reported that the abandoned Anchemale Coffee estate does not bear assessment. In regard to the Gomal land of Yettahalli proposed to be included in the forest area, it will be seen from Gomal statement that for 108 head of cattle in the village there still remain upwards of 2,500 acres of free grazing. The assessed occupied Nos. 61, 62, 64 and 65 of Arni village aggregating 7 acres 9 guntas will be excluded for the present and treated as enclosures until they are formally acquired from the holders. I think it quite possible that further enquiry will show that the occupants only, will want much inconvenience to forest interests, be left in possession.

Quite possible

Nos 61, 62 and 65 are on the margin of the high road which forms the boundary line, while No. 64 lies somewhat in the interior as the accompanying sketch shows. It is not worth-while to cut a fresh line so as to exclude these Nos, as the high road is a much better boundary.

3. The total area to be reserved will then be reduced to 8,384 acres 10 cuntas. ~ With the above remarks I beg that Government may be pleased to order the notification of the boundary statement as early as possible and to sanction the alienation of the zamat and assessed lands noted on the margin.

4. Copy of Assam Deputy Commissioner's docket No. 35 of 18th ult. ult. and its enclosures in original are forwarded. It is requested that the sketch of the forest may be kindly returned when no longer required.

I have the honour to be,
Sir,
Your most obedient servant,

GOVERNMENT OF MYSORE

From Forest 1

The Deputy Commissioner
Kadoor District

To The Conservator of Forests
in Mysore.

No: 35
Dated 18th July 1900.

His No. 3667/34 b dated the 9th May 1900 returning the boundary statement &c of the proposed Bisle State Forest with certain remarks.

With reference to the above, has the honour to state that the boundary line was proposed to be taken from Cairn No 10 to Cairn No 15 through the intervening cairns a little above the Sakleshpur - Subramania high road as that is the boundary of the abandoned Anchemale Coffee estate, but as remarked by the Conservator the high road itself forms a more natural and convenient boundary line it has been adopted as the boundary of the proposed State Forest. The alteration

of

of the boundary line besides excluding three occupied Survey Nos 58, 59 and 60, will further leave out a sufficiently large area Survey No: 3/76 acres and 21 cuntas, for the use of the cattle of the ryots cultivating the few numbers still included within the boundary in case it is decided not to disturb them in their enjoyment of the fields now in their occupation. Survey Nos 61, 62, 64 and 65 are occupied and 63 is an assessed waste.

Boundary and other statements prepared in accordance with the alterations above made are herewith submitted. In demarcating the Forest after its notification by the Government as a State Forest the occupied numbers above referred to will be marked out as enclosures.

There is no admitted right of way for men or cattle within the proposed State Forest. The abandoned Anchemale Coffee estate (1197 acres, 20 cuntas) does not bear any assessment and it is only in case the land is taken up for cultivation that the Revenue Survey Department will fix the assessment on the same.

The

The area of the abandoned Coffee estate
was given as 1100 acres in the statement
originally submitted from this office, but
on reference to Akarabandu statement
prepared in the Revenue Survey Super-
tendents' office, the correct figure is as
certained to be what is stated above.

The following letter No. 636—346, dated the 15th August 1900, from the Conservator of Forests in Mysore.

Referring to Colonel Walker's letter No. 863-45 of 8th August 1897, submitting reports in connection with the exploration of ghat forests and reservation of woodlands surrounding the head waters of streams in the Hassan district, I have the honor to forward, for early notification in the *Gazette*, a draft Notification of the boundaries of the proposed Bisle State Forest in the Manjarabad taluk.

2. The area recommended by the Deputy Commissioner for reservation comprises lands noted below :—

It is reported that the abandoned Anchemale coffee estate does not bear any assessment. In regard to the gomal land of Yettahalli proposed to be included in the forest area, it will be seen from the gomal statement that for 108 head of cattle in the village there still remain upwards of 2,500 acres of free grazing. The assessed occupied Nos. 61, 62, 64 and 65 of the Arni village aggregating 7 acres and 9 guntas will be excluded for the present and treated as enclosures until they are formally acquired from the holders. I think it quite possible that further enquiry will show that the occupants may, without much inconvenience to forest interests, be left in possession. Nos. 61, 62 and 65 are on the margin of the high road which forms the boundary line, while No. 64 lies somewhat in the interior as the accompanying sketch shows. It is not worth while to cut a fresh line so as to exclude these numbers, as the high road is a much better boundary.

3. The total area to be reserved will thus be reduced to 8,384 acres and 10 guntas. With the above remarks I beg that Government may be pleased to order the Notification of the boundary statement as early as possible and to sanction the alienation of the gomal and assessed lands noted in the margin.

acres and 26 guntas of the Yelda-halli village Manjarabad Taluk.

The total number of village cattle is reported to be only 108 and as the occupied area is 99 acres and 29 guntas and the total extent of the fonal land in the village is 2922—2 acres guntas, the remaining fonal is considerably beyond the requirements of the village cattle. As desired by Government the Maharja Dated 12th February executed by the villagers of Mavanur, Aregadde and Thontavanavé who cultivate lands belonging to the Bachinalli village Yeldahalli is herewith submitted. -

Regarding the alienation of the land for inclusion in the Forest

Sir,

+ R. No. (8) With reference to para 3 of Govern
Proceedings No. K 7522-3A / R 2620 dated 20th Mar
1901 referring to the delay in the submi
of the Statement of Villages called for a
in reporting my opinion in connect
with the taking up of the gomal lan
for the Constitution of the Bisle Stale
I have the honor to explain that
delay was chiefly due to the fact th
the original Statement about the gom
land could not be traced out for se
time as it had got mixed up with
some

some other forest papers.

2 ——— I beg to state that the necessary statement of the villages called for from the Sub-Division Officer was submitted to Government along with my opinion first in this office No. 541/5 Dated 13th March 1901 and as it had been not received some how from the office of the Examiner the same was resubmitted to Government with a covering docket in my No. 563/5 Dated 22nd March 1901.
